WORK EXPERIENCE

Fesigns

UI/UX & Frontend Designer Intern

Mar 2025 - Sep 2025

- Designed and developed a CKD patient portal with stage-based dietary tracking and reminder systems.
- Built responsive landing pages and interactive UI overlays improving engagement and usability.
- Built scalable dashboards for Admin, Manager, and Recruiter workflows.
- Converted Figma designs into responsive Webflow websites ensuring cross-device compatibility.

EDUCATION

Malla Reddy Engineering College, Hyderabad

Bachelor of Technology (E.C.E) -CGPA : 8.72

2019 - 2023

Jawahar Navodaya Vidyalaya, Choppadandi

Intermediate (MPC) - 84.4%

2018 - 2019

Jawahar Navodaya Vidyalaya, Choppadandi

10th CBSE - CGPA : 9.4

2017

PROJECTS

College Placement Management System

MERN Stack | TypeScript | Redux Toolkit | Socket.IO

- Developed a full-stack campus recruitment platform supporting Student, Company, and Admin roles.
- Implemented JWT authentication, role-based authorization, and real-time notifications.
- Built admin dashboards for interview scheduling, analytics, and application tracking.

Live Demo : [college-placement-frontend.netlify.app](#)

FilmFinder

MERN Stack | React.js | Node.js | Express.js | MongoDB | JWT

- Built a full-stack movie discovery platform allowing users to explore movies, add reviews, rate films, and manage personalized watchlists.
- Implemented JWT authentication, secure REST APIs, and CRUD operations for movie and user management.
- Developed responsive UI components with filtering, search functionality, and optimized performance for better user experience.

GitHub: [FilmFinder Repository](#)

Live Demo : [filmfinder-mern.netlify.app](#)

Tic Tac Toe MERN

React.js | Node.js | Express.js | MongoDB | JWT

- Built a full-stack Tic Tac Toe application with authentication, game history, and leaderboard.
- Implemented Player vs Player and Player vs Computer modes with AI difficulty levels.
- Added sound effects, confetti animations, dashboard analytics, and responsive UI.
